1. Introduction

In May 2024, Middle East Survey Engineering was appointed by Al Amir Engineering Consultants to carryout Gate level survey at Al Awir - 1 (Plot No.71115745)

When applied for Gate level computation, DM advised to use DVRS for the survey works as there are no benchmarks with spirit level values available near the plot. The Gate level computation approval is done using DVRS as suggested by Dubai Municipality. Field survey works were carried out on 27th May 2024.

2. SURVEY PERSONNEL AND EQUIPMENT

Personnel

The following key personnel were involved in this project

Mr. Safeer Chief Surveyor

Mr. Riyas Surveyor

Equipment Used

The following survey equipment were used in the execution of the survey:
